The best boat forum for answers to hard questions about boats

In his 2011 State of the Union address, President Barack Obama set the goal for the U.S. to become the first country to have one million electric vehicles on the road by 2015. This goal was established based on forecasts made by the U.S. Department of Energy (DoE), using production capacity of PEV models announced to enter the U.S. market through 2015.
